

Testimony of Arbitrary Arrest

Reported on 11.11.2020 to Human Rights Observers by a displaced person living in Calais.

The police don't want to leave us alone in the jungle. If they won't let us into the jungle, where can we go? We are refugees. The police don't respect refugees. We are humans, not animals. They think we are animals because we are refugees. We respect everyone because our parents taught us respect.
