

Testimony of Arbitrary Arrest

**Reported on 13.11.2020 to Human Rights Observers by an
displaced person living in Grande-Synthe.**

It's not right, but they don't listen. They say they have this court document, I don't know what it means. They cut down all the tents and they take us away... and some policemen say racist things, they do bad things with us. At the moment, they're sending us to the hotel, but I don't like the hotel.
